**BE IT RESOLVED BY THE SENATE, THE HOUSE OF REPRESENTATIVES CONCURRING THEREIN:**  
That at the general election to be held in this state on the first Tuesday after the first Monday in November, 1918, there shall be submitted to the qualified voters of this state for adoption, the following proposed amendment to the Constitution to repeal section 11 of article 10 of the Constitution of Missouri and enact a new section in lieu thereof as follows:  
Section 1. That section 11 of article 10 of the Constitution of Missouri is hereby repealed.  
Section 2. That in lieu of section 11 of article 10 of the Constitution of Missouri hereby repealed, there is enacted the following new section to be known as section 11, article 10, viz: Section 11. Taxes for county, city, town and school purposes may be levied on all subjects and objects of taxation, but the valuation of property thereon shall not exceed the valuation of the same property in such town, city or school district for state and county purposes. For county purposes the annual rate on property in counties having six million dollars or less, shall not, in the aggregate, exceed fifty cents on the hundred dollars valuation; in counties having six million dollars and under ten million dollars, said rate shall not exceed forty cents on the hundred dollars valuation; in counties having ten million dollars and under thirty million dollars, said rate shall not exceed fifty cents on the hundred dollars valuation; and in counties having thirty million dollars or more, said rate shall not exceed sixty cents on the hundred dollars valuation. For city and town purposes the annual rate on property in cities and towns having thirty thousand inhabitants or more, shall not, in the aggregate, exceed one hundred cents on the one hundred dollars valuation; in cities and towns having less than thirty thousand and over ten thousand inhabitants, said rates shall not exceed sixty cents on the hundred dollars valuation; in cities and towns having less than ten thousand and more than one thousand inhabitants, said rate shall not exceed fifty cents on the hundred dollars valuation; and in towns having one thousand inhabitants or less, said rate shall not exceed twenty-five cents on the hundred dollars valuation. For school purposes in districts composed of cities which have one hundred thousand inhabitants or more, the annual rate on property shall not exceed sixty cents on the hundred dollars valuation and in other districts shall not exceed forty cents on the hundred dollars valuation. PROVIDED, that the annual rates for school purposes may be increased, in all districts, to an amount not to exceed one dollar on the hundred dollars valuation, on the condition that a majority of the voters who are taxpayers, voting at an election held to decide the question, vote for said increase. For the purpose of erecting public buildings in counties, cities or school districts, the rate of taxation herein limited may be increased when the rate of such increase and purpose for which it is intended shall have been submitted to a vote of the people, and two-thirds of the qualified voters of such county, city or school district, voting at such election, shall vote therefor. The rate herein allowed to each county shall be ascertained by the amount of taxable property therein, according to the last assessment for state and county purposes, and the rate allowed to each city or town by the number of inhabitants, according to the last census taken under the authority of the state, or of the United States; said restrictions as to rates shall apply to taxes of every kind and description whether general or special, except taxes to pay valid indebtedness now existing or bonds which may be issued in renewal of such indebtedness. PROVIDED, that the city of St. Louis may levy for municipal purposes, in addition to the municipal rate of taxation above provided, a rate not exceeding the rate which would be allowed for county purposes if said city were part of a county.
